

JVC[®]

The Perfect Experience 

UX-VJ5/VJ3

Always the right time

"hearing my favourite music
is the best way to get out of bed"

-Jane

8:02 am

"a good power-up in the morning
is necessary for an early start"

-David

Always the right time for • Style

Your clothes, your look, your interior – they all tell the world who you are. Don't forget your audio system. It's "you" too! That's why your choice should be UX-VJ5 or VJ3, totally new concepts in personal audio system that dock to an iPhone, iPod and iPad. Now your look is complete. Sit back and enjoy with a soothing cup of coffee.

Smart design matches your décor and lifestyle

UX-VJ5/VJ3

Made for
iPod iPhone iPad

These units have a great little secret. When not in use, the docking mechanism is out of sight leaving an eye-pleasing sleek, streamlined look. Even better, an iPhone/iPod can be docked horizontally to catch some video. Soft illumination at the base of the unit gives an amazing floating illusion. There's more, UX-VJ5 offers a CD player for listening pleasure without limitations.

UX-VJ5
